Silver Alert

On July 30 at 2 p.m., officers of the Pratt Police Department were asked to conduct a welfare check on 79-year-old James E. Flummerfelt at his residence in Pratt. The requestor advised that earlier on July 30, Flummerfelt’s significant other had been admitted to Pratt Regional Medical Center and was then transported to Wesley Medical Center in Wichita. The requestor was concerned that Flummerfelt may try to drive to Wichita though he experiences dementia-like episodes, where he forgets where he is at or what he is doing. Officers made contact with him at approximately 2:10 p.m., and he was alert during questioning.

Then at approximately 3 p.m., a neighbor observed Flummerfelt leaving his residence in a gold 2006 Chevrolet Trailblazer with Kansas license plate, 399AUK. His whereabouts are currently unknown.

If anyone knows the whereabouts of James Flummerfelt, please call the Pratt Police Department at (620) 672-5551.
